

Statement of Achievement

Nguyen Quoc Khang

has successfully achieved student level credential for completing the *JavaScript Essentials 2* course, provided by Cisco Networking Academy in collaboration with OpenEDG JavaScript Institute.

The graduate has studied:

- Techniques for constructing and modifying objects, including the use of prototypes and inheritance.
- Methods for defining and encapsulating class properties and managing array data, including JSON conversion.
- Utilization of the Math object and regular expressions for mathematical and string operations.
- Advanced function techniques and asynchronous programming, including callbacks and iterators.
- Problem analysis and program development using algorithmic thinking and object-oriented principles.
